

Summer Israel Hebrew Fest 2018

Experience Israel and Sharpen Your Hebrew Skills with Ayelet Levi this summer!

Join our wonderful shlichah Ayelet Levi for her grand finale of learning and celebrating Israel before she returns home. Come for one, two or all five days; morning and afternoon sessions with different Hebrew levels are available. We'll begin the week by learning about [Tisha B'Av](#) and conclude the week with a special Kabbalat Shabbat and dinner on Friday, July 27th.

Each day participants will explore Israel in a fun way – through culture, music, dance, food, film, games, and more. We'll look at highlights of Israeli culture, technology, nature and geography, some basic conversational Hebrew (including colorful Hebrew phrases!), and more. We'll include explorations of Israeli/Jewish history and have occasional opportunities to delve into Israel's current social and political challenges. Throughout the week, we'll enjoy schmooze time with one another, both in and out of class.

Cost: The fee for participating in individual classes is \$10.00 each, but you can participate in all the classes for \$36; that said, ability to pay should never be a barrier, please contact Marla Cohen at marla.cohen@adatshalom.net or 301-767-3333 ext. 107, if that cost is a hardship for you or your family.
